Legislative

House of Representatives

1. **AUDITOR CHARGES** - Agency funding levels are adjusted to reflect changes in the number of audit hours needed, reductions in billing authority for the Office of the State Auditor's Audit of State Government Account, and use of existing fund balance. The Office of the State Auditor will use a risk-based methodology in selecting agencies to audit.
2. **ATTORNEY GENERAL REDUCTION** - Agency funding levels are reduced to reflect reductions in billing authority for the Office of the Attorney General's Legal Services Revolving Account.
3. **SEC OF STATE ARCHIVE REDUCTION** - Agency funding levels are reduced to reflect reductions in billing authority for the Office of the Secretary of State's Archives and Records Management Account.

2012 Supplemental Omnibus Operating Budget AMD to ESHB 2127 (H-4741)

4. **CENTRAL SERVICES SAVINGS** - Funding is reduced for Office of Minority & Women's Business Enterprises (OMWBE), Office of Administrative Hearings (OAH), and Labor Relations Office (LRO), with the resulting savings passed along to other state agencies as a central service billing reduction. The funding reduction utilizes an excess fund balance from the OMWBE Enterprises Account, eliminates a vacant administrative position at the OAH, and reduces LRO services.
5. **LOCAL GOVERNMENT** - Funding is provided to establish a joint committee on junior taxing districts, municipal corporations, and local government finance. The committee will evaluate services provided by junior taxing districts and municipal corporations, and will make recommendations on the appropriateness of consolidating these services. The committee is composed of two members from each caucus from the House and from the Senate. The operating expenses of the committee are provided equally by the House and Senate. (General Fund-State)
6. **EFFICIENCY REDUCTION** - Legislative branch agencies will achieve savings by identifying administrative efficiencies that will reduce FTE levels, travel expenses, printing costs, and other operating expenditures. This includes savings from the consolidation of certain support functions pursuant to House Bill 2705 (creating the office of legislative support services). (General Fund-State)
7. **PEBB FUNDING RATE REDUCTION** - The Public Employees' Benefits Board (PEBB) funding rate is reduced from \$850 to \$800 per eligible employee per month for FY 2013. This is projected to leave the PEBB reserves (both the self-insured claims reserve and the incurred-but-not-paid reserve) fully funded at the end of the 2011-13 fiscal biennium.
8. **LEGISLATIVE SUPPORT CONSOLIDATION** - Pursuant to House Bill 2705 (creating the office of legislative support services), savings are achieved through the consolidation of facility management, production and audio-visual services, information distribution, and other administrative and support functions into the Office of Legislative Support Services. The amount reflected in this item is the amount of funding transferred to the new office. Savings from the consolidation are reflected in other items in legislative agency budgets. (General Fund-State)

13. **COMMUTE TRIP REDUCTION** - Funding is reduced to reflect the elimination of state general funds for the Commute Trip Reduction program.
14. **LOCAL GOVERNMENT** - Funding is provided to establish a joint committee on junior taxing districts, municipal corporations, and local government finance. The committee will evaluate services provided by junior taxing districts and municipal corporations, and will make recommendations on the appropriateness of consolidating these services. 352. **SELECTED SERVICES** - Funding is adjusted to reflect a variety of changes including increased efforts to prevent overpayments, contract eliminations, and utilization of Supplemental Security Income (SSI) for allowable services. Additionally, the reduction reflects aligning receiving care maintenance across fiscal years and eliminating funding for a Family Preservation training contract (\$52,000). Savings are achieved through under expenditures for sexually aggressive youth funding. Additionally, funding is reduced for the following services: child care (3.6 percent effective April 2012); evaluations and treatment (15 percent effective April 2012); and adoption support recruitment (50 percent effective April 2012). (General Fund-State, General Fund-Federal)
353. **CONTRACTED SERVICES** - Funding for Behavioral Rehabilitation Services (BRS) is reduced to align with FY 2011 expenditure levels. These services are provided to children and youth who are behaviorally or emotionally disordered and whose behaviors cannot be maintained in a less intensive setting. This reduction will be achieved through the current contract rates. (General Fund-State, General Fund-Federal)
354. **FAMILY ASSESSMENT** - Funding is provided to implement Engrossed Substitute Senate Bill 6555 (Child protective services). The bill authorizes the Department to implement Family Assessment Response (FAR) within Child Protective Services. (General Fund-State, General Fund-Federal)
355. **EXTENDED FOSTER CARE** - Funding is provided to implement Engrossed Substitute House Bill 2592 (Extended Foster Care). The legislation extends foster care services to youth who elect to stay in care to attend a post-secondary academic or vocational educational program. 2012 Supplemental Omnibus Operating Budget AMD to ESHB 2127 (H-4741)

- 356. **PERFORMANCE BASED CONTRACTING** - Funding is provided to implement Engrossed Second Substitute House Bill 2264 (Child welfare/contracting). The legislation requires the DSHS to enter into performance-based contracts (PBC) for the provision of family support and related services by December 1, 2013. The DSHS is authorized to enter into PBC for additional services, other than case management, in future procurements. (General Fund-State, General Fund-Federal)
- 357. **DV PREVENTION FUNDING** - Domestic Violence Prevention Account funding is provided for contracted services, rather than state general funds. (Domestic Violence Prevention Fund)
- 358. **PEBB FUNDING RATE REDUCTION** - The Public Employees' Benefits Board (PEBB) funding rate is reduced from \$850 to \$800 per eligible employee per month for FY 2013. This is projected to leave the PEBB reserves (both the self-insured claims reserve and the incurred-but-not-paid reserve) fully funded at the end of the 2011-13 fiscal biennium.

Juvenile Rehabilitation

- 359. **PEBB FUNDING RATE REDUCTION** - The Public Employees' Benefits Board (PEBB) funding rate is reduced from \$850 to \$800 per eligible employee per month for FY 2013. This is projected to leave the PEBB reserves (both the self-insured claims reserve and the incurred-but-not-paid reserve) fully funded at the end of the 2011-13 fiscal biennium.

Mental Health

- 360. **OPTIONAL WAIVER SERVICES** - Under the terms of the state's federal Medicaid waiver, some individual Regional Support Networks (RSNs) have been able to earn federal Medicaid matching funds to provide supported employment, clubhouse, and respite care services that are not typically covered by Medicaid. The federal government has recently adopted the position that such services must be funded and available in all RSN areas in order for Medicaid to fund them anywhere. Because state funds are not presently available to provide the services statewide, Medicaid funding for them is discontinued effective July 1, 2012. Individual RSNs may continue to provide these services with state-only, local, or federal block grant funds to the extent those are available. (General Fund-State, General Fund-Federal)
- 361. **EVIDENCE BASED PRACTICES** - Funding is provided for increasing the level of evidence-based or research-based prevention and treatment programs in the Department's mental health, juvenile justice, and child welfare programs in accordance with Engrossed Second Substitute House Bill 2536 (children/services delivery). This includes \$218,000 for the Department to hire 2 FTEs and \$224,000 to contract with the University of Washington and the Washington State Institute for Public Policy. The Department's programs responsible for administration of mental health, child welfare, and juvenile justice programs will coordinate with the Health Care Authority on the development of contract terms which facilitate efforts to meet requirements of the bill. (General Fund-State, General Fund-Federal)
- 362. **CLOSE DECERTIFIED WARDS** - Two decertified, state-only funded wards at Western State Hospital that currently serve individuals who suffer from traumatic brain injury and dementia will be closed and FTEs reduced accordingly. The first ward will be closed on July 1, 2012 and the second on October 1, 2012. Patients will be placed in long-term care settings within the community. Long-term care providers will be paid enhanced rates consistent with the existing Expanded Care Services program.
- 363. **PEBB FUNDING RATE REDUCTION** - The Public Employees' Benefits Board (PEBB) funding rate is reduced from \$850 to \$800 per eligible employee per month for FY 2013. This is projected to leave the PEBB reserves (both the self-insured claims reserve and the incurred-but-not-paid reserve) fully funded at the end of the 2011-13 fiscal biennium.

Developmental Disabilities

- 364. **CRITICAL COMMUNITY PLACEMENTS** - Funding is provided for 35 out-of-home community residential placements for individuals with developmental disabilities in crisis that have been identified as aging out of the Children's Administration or have been released from a state institution such as the Department of Corrections, the Juvenile Rehabilitation Administration, or a psychiatric hospital. (General Fund-State, General Fund-Federal)

2012 Supplemental Omnibus Operating Budget AMD to ESHB 2127 (H-4741)

365. **STATE ONLY EMPLOYMENT** - Savings are achieved by converting clients currently receiving state-only employment and day services to Medicaid waiver slots where they will continue to receive the same services paid for with 50 percent federal matching funds. About 450 clients have become recipients of this state-only service. The majority of the clients are in this program either because Medicaid waiver slots are capped (although they are receiving State Plan Medicaid Personal Care -- which does not include employment and day services) or they have pending Medicaid applications that are not yet approved. Those clients will receive a Medicaid waiver slot beginning July 1, 2012.
- The remaining clients who are in this service have not applied for Medicaid, withdrew their Medicaid application, failed to provide verification for Medicaid eligibility, or are over the allowable resource limit for Medicaid. Until January 30, 2013, these state-only employment clients will be offered an opportunity to apply for Medicaid and, if eligible, they will also receive a Medicaid waiver slot (after which time, the state-only funding for this program will discontinue).
366. **FUNDING FOR INITIATIVE 1163** - Initiative 1163 was approved by voters in 2011. It requires increased mandatory training, additional background checks, and certification for long-term care workers beginning January 7, 2012. Administrative costs are capped and performance audits with additional fraud investigators are required. (General Fund-State, General Fund-Federal)
367. **1163 TRAINING TRUST CONTRIBUTIONS** - Funding is provided for the training partnership to provide increased training as required by Initiative 1163. Current training partnership contributions are funded at 17 cents per hour of work, this would increase the funding to 22 cents per hour of work. (General Fund-State, General Fund-Federal)
368. **RHC SAVINGS** - Savings are achieved from under expenditures in Residential Habilitation Centers. Spending is below appropriated levels due to new hiring and equipment purchases taking longer than originally scheduled. This is variance that otherwise will revert at the end of the fiscal year.
369. **CORRECT PROGRAM ALLOTMENT** - Funding is removed from the H55 budget unit within the Division of Developmental Disabilities to align the program allotment with actual and planned expenditures. No client services are impacted by this item.
370. **CURRENT YEAR VARIANCE** - Current year program variance (under-expenditure) is removed from the Division of Developmental Disabilities. This is variance that otherwise would revert at the end of the fiscal year.
371. **TRANSITION HIGH SCHOOL CLIENTS** - Funding is provided for Medicaid employment programs for about 160 high school graduates who receive Medicaid waiver services and who will be turning 21 years of age. (General Fund-State, General Fund-Federal)
372. **RECOVER ADULT FAMILY HOME COST** - The 2011 Legislature increased adult family home license fees but not enough to preclude General Fund-State (GF-S) dollars from subsidizing the licensing activity. License fees are increased requiring less GF-S dollars to pay for the licensing activities. In FY 2013, license fees will be \$250 per-year-per-bed instead of \$175 per-year-per-bed. Medicaid rates will be increased by approximately \$0.59 per day to compensate the cost of the fee increase on publicly funded beds. (General Fund-State, General Fund-Local, and General Fund-Federal)
373. **FUTURE USE STUDY-RAINIER** - Funding is provided for a long-range vision and development plan for Rainier School. The Department of Social and Health Services shall convene a task force to evaluate and make recommendations on the best use of Rainier School as a state facility.
374. **STUDENT TRANSITION FUNDING** - Funding is provided for the Department of Social and Health Services to contract with school districts for instructional support of new students with developmental disabilities that are admitted to a Residential Habilitation Center (RHC). The Department will provide \$25,000 for each person under the age of 21 who between July 1, 2011, and June 30, 2013, is newly admitted to the RHC and newly enrolled in the school district in which the RHC is located. The school district will use this funding to provide enhanced supports and to offset increased costs for children who may be experiencing distress while transitioning to a new school environment.
375. **AP PARITY TRUST CONTRIBUTIONS** - Funding is provided for the training partnership to provide increased training as required by Initiative 1163. Agency parity is provided to increase the funding to 22 cents per hour of work from the current 17 cents per hour. (General Fund-State, General Fund-Federal)
376. **IMPLEMENTATION OF 2314** - Savings is achieved from the implementation of ESHB 2314 (Long-term Care Workers) which aligns implementation dates for long-term care worker training with actual implementation dates. (General Fund-State, General Fund-Federal)

377. **PEBB FUNDING RATE REDUCTION** - The Public Employees' Benefits Board (PEBB) funding rate is reduced from \$850 to \$800 per eligible employee per month for FY 2013. Long-Term Care

378. **EXPAND FAMILY CAREGIVER SUPPORT** - General fund-state and federal matching funds are saved from reducing Medicaid caseloads by 180 nursing home placements and 320 community residential placements. Of the general fund-state savings assumed from reducing Medicaid caseloads, \$5 million is used to increase state-only funding for the Family Caregiver Support Program (FCSP), which includes specialized caregiver support for people with Alzheimer's disease. The FCSP is a service available to unpaid caregivers of non Medicaid adults who need care. Providing these caregivers with information and connecting them to other resources may help clients remain in their homes and may delay entry into more costly long-term care services. (General Fund-State, General Fund-Federal)
379. **FUNDING FOR INITIATIVE 1163** - Initiative 1163 was approved by voters in 2011. It requires increased mandatory training, additional background checks, and certification for long-term care workers beginning January 7, 2012. Administrative costs are capped and performance audits with additional fraud investigators are required. (General Fund-State, General Fund-Federal)
380. **1163 TRAINING TRUST CONTRIBUTIONS** - Funding is provided for the training partnership to provide increased training as required by Initiative 1163. Current training partnership contributions are funded at 17 cents per hour of work, this would increase the funding to 22 cents per hour of work. (General Fund-State, General Fund-Federal)
381. **NURSING HOME RATES** - Beginning July 1, 2012, the reduction in reimbursement to nursing facilities taking the lowest acuity groupings in the hierarchal ranking is increased from 13 percent to 25 percent and the low wage worker rate add-on that was established in 2008 is eliminated. The safety net assessment fee established by the 2011 Legislature is increased to \$19.00 per nursing facility bed and the funds will be used to increase rate add-ons that hold nursing facilities at June 2010 payment levels or better. The direct care add-on to compensate facilities for taking more acute clients than they have in the past is not reduced and future adjustments to this rate add-on are frozen at current levels. On average, nursing facilities will see approximately a 2.0 percent per day rate increase in overall rates to include all add-ons. Approximately all but six facilities will receive more in daily rate add-ons than is paid out in safety net assessment fees. (Nursing Facility Quality Assurance Account-State, General Fund-State, and General Fund-Federal)
382. **RECOVER ADULT FAMILY HOME COST** - The 2011 Legislature increased adult family home license fees but not enough to preclude General Fund-State (GF-S) dollars from subsidizing the licensing activity. License fees are increased requiring less GF-S dollars to pay for the licensing activities. In FY 2013, license fees will be \$250 per-year-per-bed instead of \$175 per-year-per-bed. Medicaid rates will be increased by approximately \$0.59 per day to compensate the cost of the fee increase on publicly funded beds. (General Fund-State, General Fund-Local, and General Fund-Federal)
383. **BH RATE REDUCTION** - Effective July 1, 2012, the Department of Social and Health Services will reduce payment rates for boarding homes and assisted living by 2 percent. (General Fund-State, General Fund-Federal)

385. **IMPLEMENTATION OF 2314** - Savings is achieved from the implementation of ESHB 2314 (Long-term Care Workers) which aligns implementation dates for long-term care worker training with actual implementation dates. (General Fund-State, General Fund-Federal)
386. **CLOSE DECERTIFIED WARDS** - The Department of Social and Health Services will close two decertified wards at Western State Hospital and increase services in community long-term care settings. (General Fund-State, General Fund-Federal)
387. **IMPROVE VULNERABLE SAFETY** - The Department of Social and Health Services will utilize federal grant funds to implement a critical incident tracking system. This system will improve the department's ability to investigate and track abuse and neglect of vulnerable adults and children. (General Fund-Federal)
388. **PEBB FUNDING RATE REDUCTION** - The Public Employees' Benefits Board (PEBB) funding rate is reduced from \$850 to \$800 per eligible employee per month for FY 2013. This is projected to leave the PEBB reserves (both the self-insured claims reserve and the incurred-but-not-paid reserve) fully funded at the end of the 2011-13 fiscal biennium.

The savings resulted from attrition and vacancies across all divisions within the Economic Services Administration. (General Fund-State, General Fund-Federal).

- 392. **INCAPACITY EXAMS** - Funding is reduced to reflect the state receiving matching funds for the cost of the incapacity exams. The state has a waiver enabling it to receive federal matching funds for Medical Care Services (MCS).
