Comments:

1. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; Motor Vehicle Account-State)

2. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-State)

Comments:

1. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State)

2. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. Comments:

1. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (State Treasurer's Service Account-State)

2. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. 16. Truancy Reform

Funding is provided to implement Second Substitute House Bill 2449 (school attendance and truancy reforms). Funding is provided for an additional 10 Crisis Residential Center beds to assist truant and other at-risk youth in need of services. Beds will be added throughout the state based on need and volume of truancy petitions. (Home Security Fund Account-State)

17. Military Land Use Compatibility

One-time matching funds are provided to secure a federal grant to help ensure local land-use planning decisions better align with the operational needs and missions of military bases. With the grant, the Department will complete an analysis of military bases and training areas, integrate Department of Defense joint land use studies in a state strategy, and provide recommendations to maintain compatible land uses. (General Fund-State)

18. Permitting Assistance

One-time funding is provided for grants to counties and cities in eastern Washington for the costs of preparing an environmental analysis that advances permitting activities around manufacturing sites and other key economic growth centers. (Economic Development Strategic Reserve Account-State)

19. Protecting Victims of Sex Crimes

Funding is provided to implement Second Substitute House Bill 2530 (victims of sex crimes). (General Fund-State)

20. Retirement Security Study

Funding is provided for the Department to study, directly or through contract, the retirement preparedness of Washington residents based on region, age, race, type of employment, and income. (General Fund-State)

21. Sexual Assault Nurse Exam Training

Pursuant to Second Substitute House Bill 2530 (victims of sex crimes), funding is provided for the Department to allocate grants for sexual assault nurse examiner services and training. (Sexual Assault Kit Account-Non-Appr)

22. Sexual Assault Nurse Availability

Pursuant to Substitute House Bill 2711 (sexual assault nurse availability), funding is provided for the Office of Crime Victims Advocacy to study and make recommendations regarding the availability of sexual assault nurse examiners. (General Fund-State)

24. Street Youth Services

Funding is provided for Street Youth Services to identify and engage with youth under the age of 18 who are living on the street. Funds will help providers direct youth to services and shelter beds. Services can include drug/alcohol abuse intervention, counseling, emergency housing, prevention and education activities, employment skill building, advocacy, and follow-up support. A portion of these funds are directed to south King County, which has experienced an increase in youth homelessness. (General Fund-State)

25. Statewide Reentry Council

Pursuant to Second Substitute House Bill 2791 (WA statewide reentry council), funding is provided to create the Washington Statewide Reentry Council for the purpose of promoting successful reentry of offenders after incarceration. (General Fund-State)

26. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

27. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

28. DES Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Department of Enterprise Services (DES) in the 2015-17 biennium, including the expectation that agencies that choose to use DES personnel, recruitment and training services will pay higher fees for those services. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

29. Data Processing Revolving Account

The Data Processing Revolving Account was eliminated in Chapter 1, Laws of 2015, 3rd Special Session. The deficit that remained in the account was transferred to the Statewide Information Technology Systems Development Revolving Account. The cost to remove the deficit is being allocated to all state funds and accounts. (General Fund-State; General Fund-Local; Public Works Assistance Account-State; other accounts)

Department of Revenue
(Dollars In Thousands)**

Funding is provided for the administrative costs of the department of revenue to exercise its statutory authority under chapter 82.32 RCW to enter into closing agreements with any person to waive unpaid penalties, for taxes due under RCW 82.04.2907, for all periods open for assessment under chapter 82.32 RCW beginning on or after June 1, 2010, through June 30, 2016. This will require that, by October 1, 2016, the person: (1) Submits to the department of revenue all unfiled tax returns; however, a taxpayer is not required to file tax returns for periods included in an examination of the taxpayer's books and records by the department of revenue; and (2) remits to the department of revenue all unpaid taxes due under RCW 82.04.2907 for all periods open for assessment under chapter 82.32 RCW. This item does not authorize the department of revenue to refund or waive any penalties imposed under chapter 82.32 RCW on any person and paid before the effective date of the appropriations act. Information reported is subject to the statutory audit authority of the department of revenue. Any additional taxes under RCW 82.04.2907 found to be due by the department of revenue on or after October 1, 2016, for periods described in this subsection are subject to applicable penalties under chapter 82.32 RCW. Comments:

1. Campus Contracts

The Department partners with the Washington State Patrol, Olympia Fire Department, and private vendors to provide a safe and secure Capitol campus. Additional expenditure authority is provided due to the increased costs of these contracts. (State Vehicle Parking Account-Non-Appr; Enterprise Services Account-Non-Appr)

2. Sundial Gnomon Competition

Funding is provided for the Department to distribute a grant award to the winner of a student competition regarding the gnomon for the state's capitol campus sundial. To be eligible, the student must be enrolled in a community or technical college. (General Fund-State)

Funds are provided for expenditure into the Special Personnel Litigation Revolving Account to pay the settlement costs in the four related Moore v. Health Care Authority lawsuits. (General Fund-State; Enterprise Services Account-Non-Appr; Risk Management Administration Account-Non-Appr; other accounts)

4. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; Enterprise Services Account-Non-Appr; Risk Management Administration Account-Non-Appr; other accounts)

5. CTS Central Services

Comments:

1. Community Health Centers/I-502

Initiative 502, passed by voters in 2012, authorizes the regulation, sale, and taxation of marijuana for adults over the age of 21. The initiative directed a portion of the tax revenue to fund primary, dental, migrant, and maternity health care services through contracts with community health centers. The Health Care Authority (HCA) will use the tax revenue in lieu of state general fund payments to community health centers for services provided to medical assistance clients. (General Fund-State; Dedicated Marijuana Account-State)

2. Low-Income Health Care/I-502

Initiative 502 directed a portion of the revenue from taxes on the sale of marijuana into the Basic Health Trust Account. Those dollars are used in lieu of General Fund-State dollars for capitation payments for Medicaid clients enrolled in managed care plans. (General Fund-State; Basic Health Plan Trust Account-Non-Appr)

3. Federal Funding Adjustment

Section 4106 of the Affordable Care Act (ACA) allows states that cover preventative care services without cost sharing to claim an additional one percent in federal match for these services. (General Fund-State; General Fund-Medicaid)

4. Family Dental

Funding is provided for the operating costs related to offering stand-alone family dental insurance plans through the Washington Health Benefit Exchange. (Health Benefit Exchange Account-State)

5. Inpatient Cost Avoidance

The Health Care Authority will achieve savings by increasing access to skilled home registered nurses and licensed practical nurses which will result in prompt hospital discharges and prevent hospital inpatient admissions. (General Fund-State; General Fund-Federal; General Fund-Medicaid; other accounts)

6. Health Homes Services

The Health Homes program integrates care within existing systems for high-risk, high-cost adults and children, including clients that are dually-eligible for Medicare and Medicaid. Funding for dual-eligibles ended on December 31, 2015. Funding is provided to continue offering these services and to expand them to King and Snohomish counties, the remaining two counties where these services were not previously provided. (General Fund-State; General Fund-Medicaid)

7. Moore litigation costs

Funding is reduced for extraordinary litigation costs related to the four cases in Moore et. al. v. Health Care Authority. Reduced funding is provided for FY 2017, with the expectation that agency activities related to the litigation will have ceased by the beginning of the 2017-19 biennium. (St Health Care Authority Admin Account-State)

8. Managed Care Rate Reforms

The Authority will achieve savings in managed care by maintaining capitation rates at calendar year 2016 levels. (General Fund-State; General Fund-Medicaid)

9. Healthier WA Savings Restoration

The FY 15-17 budget included \$44 million in state savings expected from implementing the Healthier Washington program, which aims to promote value-based purchasing, improve prevention and early mitigation of disease, and integrate physical and behavioral health care. The HCA expects to achieve approximately \$1.7 million in state savings by integrating physical and behavioral health services in Southwest Washington. The HCA does not expect to achieve additional savings during this biennium. (General Fund-State; General Fund-Medicaid)

10. Waiver Savings Restoration

Legislation was enacted in 2011 that directed the HCA to request a federal waiver that would reduce state expenditures through implementation of innovative payment methods. HCA did not receive federal approval for its waiver requests. Funding is provided because the HCA will not achieve those savings. (General Fund-State; General Fund-Medicaid)

11. HBE Financial System Improvement

Funding is provided for the Health Benefit Exchange to develop and implement new financial software that will improve fiscal reporting, responsiveness, and accountability. (General Fund-State; General Fund-Medicaid; Health Benefit Exchange Account-State; other accounts)

12. HBE Cost Allocation

Over 1.4 million Medicaid and Children's Health Insurance Program clients have their eligibility records maintained through the HealthPlanFinder website and related systems. Funding adjustments are made to the cost allocation plan that attributes state and federal funds for operational expenses incurred by the Health Benefit Exchange (HBE). 13. Home Health Nursing Rate Increase

The reimbursement rate for registered nurses and licensed practical nurses working as intermittent skilled home health nurses is increased by \$10. Skilled home health nurses work with individuals who have been recently released from a hospital or in lieu of a hospital admission. (General Fund-State; General Fund-Federal; General Fund-Medicaid; other accounts)

14. MICP Rate Increase

The reimbursement rate for registered nurses and licensed practical nurses working in a home setting for children who require four to 16 hours of medically intensive care is increased by \$10. (General Fund-State; General Fund-Federal; General Fund-Medicaid; other accounts)

15. Private Duty Nursing Rate Increase

The reimbursement rate for private duty nurses working in a home setting for adults who require four to 16 hours of skilled nursing care is increased by \$10. (General Fund-State; General Fund-Medicaid)

16. Partnership Access Line

Funding is provided for a Partnership Access Line Plus pilot program, in a rural region of the state, to provide an additional level of child mental health care support for primary care providers. (General Fund-State)

17. Rural Health Center Reconciliation

Funding is provided to assist non-hospital based rural health clinics to complete the payment reconciliation process for payments made during the 2010-2013 payment years. The Health Care Authority will reimburse non-hospital based rural health clinics for the cost of auditing using the agreed upon procedures. (General Fund-State)

18. Healthcare Innovation Waiver

The Authority anticipates receiving federal funding to implement a healthcare innovation waiver under its Healthier Washington initiative. Funding is provided for its initiatives on accountable communities of health, tailored support for older adults, medicaid alternative care, supportive housing services, and supportive employment services. (General Fund-Federal)

19. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. 21. Transfer FQHC Costs to HCA

Funding is transferred from the Department of Social and Health Services to the Health Care Authority to align funding with expenditures for physician exam services provided to Developmental Disabilities Administration clients, including those services received in a Federally Qualified Health Center (FQHC). This transfer has a net zero impact on the budget. (General Fund-State; General Fund-Medicaid)

22. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. Comments:

1. Federal Funding Adjustment

Expenditure authority is adjusted to align with current federal grant funding and to eliminate American Recovery and Reinvestment Act authority that is no longer needed. (General Fund-Federal; General Fund-Fed ARRA)

2. Discipline Backlog

Funding is provided to address the increase in the number and complexity of disciplinary cases. (Health Professions Account-State)

3. Epinephrine Autoinjectors

Funding is provided for the Department to implement Substitute Senate Bill 6421. This bill would allow authorizing health care providers, authorizing pharmacists, advanced registered nurse practitioners, and physicians to dispense epinephrine auto-injectors to certain named entities pursuant to a prescription. (General Fund-State)

4. Charity Care

Expenditure authority is aligned with available funds within the Hospital Data Collection Account to ensure that hospitals are complying with charity care laws and rules. This will not result in an increase in the hospital assessment fee. (Hospital Data Collection Account-State)

5. Drinking Water Authority

Funding authority is provided in response to a change in federal grant guidelines for the drinking water program which require previously awarded grants to be used in two years instead of five years as originally planned. (Drinking Water Assistance Account-Federal)

6. MQAC AG Costs

Funding is provided for the Office of the Attorney General (AGO) to provide increased legal support to the Medical Quality Assurance Commission (MQAC) within the Department of Health (DOH) in addressing allegations where patients are at risk of harm. (Health Professions Account-State)

7. Moore v HCA Settlement

Funds are provided for expenditure into the Special Personnel Litigation Revolving Account to pay the settlement costs in the four related Moore v. Health Care Authority lawsuits. (General Fund-State; Health Professions Account-State; Safe Drinking Water Account-State; other accounts)

8. Hospital Pharmacy License

Pursuant to Substitute Senate Bill 6558 (hospital pharmacy licenses), hospital pharmacy licenses may include individual practitioner offices and multipractitioner clinics owned, operated, or under common control with a hospital. (Health Professions Account-State)

9. Online Licensing Project

Funding is provided for the completion of the Online Licensing and Information Collection project, which was originally scheduled to be completed by June 2016. Difficulty in filling key project staff resulted in project delays and underspending in the previous biennium. Expenditure authority is provided to allow the Department of Health to move its health profession credentialing program online. (Health Professions Account-State)

10. Patient Out-of-Pocket Costs

Funding is provided for the Department to convene a task force to evaluate factors contributing to the out-of-pocket costs for patients including prescription drug costs, plan benefit design and the impact of chronic illness and acute disease on long-term outcomes and costs for patients. (General Fund-State)

11. Prescription Monitoring Program

Pursuant to Substitute House Bill 2730 (prescription monitoring program), funding is provided for rulemaking to allow access to the Prescription Monitoring Program (PMP) by prescribers of legend drugs, personnel of a health care facility or entity, and certain provider groups without individually registering; and for amendment to the current personal services contract for the PMP system. (Medicaid Fraud Penalty Account-State)

12. Public Health Reporting for Schools

Funding is provided for a medical record validation tool for schools to check the state's immunization information system. The tool will electronically determine if a child meets all immunization requirements for school entry using data from the child's immunization records. (General Fund-State)

13. Rulemaking Backlog

Funding is provided to address the rulemaking backlog, which resulted from the Legislature's four-year rulemaking moratorium. (General Fund-State; Health Professions Account-State)

14. Suicide Education

Pursuant to Engrossed Second Substitute House Bill 2793 (suicide awareness and prevention education), funding is provided to establish a task force to develop education messages and training regarding suicide awareness and prevention and to create a Safe Homes Project to certify firearms dealers and firearms ranges that meet specified requirements. (General Fund-State)

15. Vapor Products

Pursuant to Engrossed Substitute Senate Bill 6328 (vapor products), funding is provided for the regulation, enforcement, education and intervention strategies, and licensing of vapor products. (Youth Tobacco Prevention Account-State)

16. Maternal Mortality Reviews

Pursuant to Engrossed Second Substitute Senate Bill 6534 (maternal mortality review panel), funding is provided to establish a maternal mortality review panel to conduct reviews of maternal deaths in Washington and to make recommendations for evidence-based system changes and possible legislation to improve maternal outcomes and reduce preventable maternal deaths. (General Fund-State)

17. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

18. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

1. Felony DUI

Pursuant to Engrossed Second Substitute Senate Bill 5105 (DUI 4th offense/felony), funding is provided to reflect a projected increased prison population as a result of sentencing changes making a DUI a felony upon 4th conviction. (General Fund-State)

2. Reynolds Work Release

In July 2015, Pioneer Human Services chose not to renew its contract with DOC to run the daily operations at the Reynolds Work Release facility. Funding is provided to cover costs to operate Reynolds as a DOC-operated facility, including one-time emergency operations costs incurred in FY 2016 to ensure safety, security, and continuity of operations during the transition. (General Fund-State)

3. Cost of Supervision Staffing

The community supervision caseload staffing model has been fully funded since its inception in FY 2002 with funding from both General Fund-State (GF-S) and the Cost of Supervision (COS) Account. In recent years, expenditure authority for the COS Account was increased to reduce the existing surplus. General Fund-State funding is provided to partially cover the reduction in expenditure authority made to the COS Account in the 2015-17 budget. (General Fund-State)

4. ISRB: Board Member Alignment

Funding is provided for a newly appointed Indeterminate Sentencing Review Board (ISRB) position that was increased from part-time (0.6 FTE) to full-time (1 FTE) status. (General Fund-State)

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-Federal; General Fund-Local; Unemployment Compensation Admin Account-Federal; other accounts)

4. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-Federal; General Fund-Local; Unemployment Compensation Admin Account-Federal; other accounts)

5. DES Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Department of Enterprise Services (DES) in the 2015-17 biennium, including the expectation that agencies that choose to use DES personnel, recruitment and training services will pay higher fees for those services. (General Fund-Federal; General Fund-Local; Unemployment Compensation Admin Account-Federal; other accounts)

6. Data Processing Revolving Account

The Data Processing Revolving Account was eliminated in Chapter 1, Laws of 2015, 3rd Special Session. The deficit that remained in the account was transferred to the Statewide Information Technology Systems Development Revolving Account. The cost to remove the deficit is being allocated to all state funds and accounts. (General Fund-Local; Administrative Contingency Account-State; Employment Services Administrative Account-State; other accounts)

7. OFM Central Services

Agency budgets are adjusted for each agency's allocated share of charges for the Office of Financial Management (OFM) budget, accounting, and forecasting activities in the 2015-2017 biennium. 1. Notification Changes			
Unfounded allegation notices from an investigation of child abuse or neglect are currently sent through certified mail. Savings are achieved by utilizing regular mail or email to serve notice of a child abuse or neglect allegation determined to be unfounded. (General Fund-State; General Fund-Fam Supt)			
2. Family Child Care Providers			
The 2015-17 collective bargaining agreement for family child care providers included reopener provisions for FY 2017. Funding is provided to implement provisions of the reopener, including a base rate increase, an increase in tiered reimbursement rates for levels three through five, and training and quality improvements as provided in the supplemental agreement. (General Fund-State)			
3. Family Assessment Response (FAR)			
Funding is provided for the Children's Administration (CA) to expand Family Assessment Response (FAR) statewide. The FAR is an alternative to Child Protective Services (CPS) investigation for families screened-in for potential low-to moderate-risk cases of child abuse or neglect. (General Fund-State; General Fund-Fam Supt)			
4. Performance Based Contracting			
Pursuant to Chapter 205, Laws of 2012 (E2SHB 2264), ongoing funding is provided to continue performance-based contracts (PBCs) of family support and related services in Department of Social and Health Services (DSHS) Region 1, as managed by a network administrator based in Spokane. (General Fund-State)			
5. Child-Placing Agencies			
Funding is provided to increase rates for child-placing agencies by approximately 18 percent effective July 1, 2016. (General Fund-State; General Fund-Fam Supt)			
6. Family Reconciliation Services			
Ongoing funding is provided for Family Reconciliation Services (FRS), a voluntary program that serves runaway adolescents and youth in conflict with their families. (General Fund-State)			
7. Truancy Reform			
Funding is provided for workload associated with adding 23 HOPE beds and 10 Crisis Residential Center beds to assist truant and other at-risk youth in need of services, consistent with Second Substitute House Bill 2449 (truancy reduction). (General Fund-State; General Fund-Fam Supt)

Comments:

1. Expand Mobile Crisis Teams

Appropriations are increased to implement new mobile crisis teams and expand outreach and engagement activities for existing mobile crisis teams. This expansion shall be implemented in western Washington and eastern Washington. Mobile crisis teams shall provide mental health services to stabilize individuals in crisis to prevent further deterioration and provide immediate treatment and intervention in a location best suited to meet the needs of the individual. Services shall be provided in the least restrictive environment available 24 hours per day, seven days a week. (General Fund-State; General Fund-Federal; General Fund-Medicaid; other accounts)

2. Housing Support and Step-Down Svcs

Appropriations are increased to implement four new housing and recovery services teams. Each team shall provide supportive housing services and short-term rental assistance for individuals exiting inpatient behavioral health treatment services or at risk of entering inpatient behavioral health services. During FY 2017, the supportive housing services will be paid for with the mental health federal block grant. Beginning in FY 2018, it is assumed that these services will be paid for with state funds. (General Fund-State; General Fund-Federal)

3. Peer Bridging Programs

Appropriations are increased for a pilot program for behavioral health organizations to hire 22 Peer Bridge staff. These staff shall be incorporated into state psychiatric hospital liaison teams. These team members are intended to assist in hospital discharge planning activities and help promote service continuity as individuals return to their communities. (General Fund-Federal)

4. State Hospital RN Staff

Appropriations are increased to provide funding for 51 additional registered nurse FTEs to increase the total number of nurses on day and evening shifts at Western State Hospital. (General Fund-State)

5. UW Psychiatry Collaboration

Appropriations are increased to provide funding for the Department to contract with the University of Washington Department of Psychiatry and Behavioral Sciences to conduct analysis and develop a plan to create a high quality forensic teaching unit in collaboration with Western State Hospital. The plan will include an appraisal of risks, barriers and benefits to implementation, as well as an implementation timeline. The University of Washington will report to the department, the Office of Financial Management, and relevant legislative policy and fiscal committees on its findings and recommendations by November 1, 2017. (General Fund-State)

6. Oversight and Reporting Consultant

Appropriations are increased to provide funding for a consultant pursuant to section 4(1)(b) of House Bill 2453 (State hospital oversight). (General Fund-State)

7. On-Site Safety Compliance Officer

Appropriations are increased to provide funding for a safety and compliance officer, stationed at Western State Hospital, to provide oversight and accountability of the hospital's response to workplace safety concerns. (General Fund-State)

8. Transitional Support for WSH

Appropriations are increased on a one-time basis to provide funding in FY 2016 to address overspending at the state hospitals as well as new expenditures taken by the Department in response to an emergent and imminent jeopardy determination by the Centers for Medicare and Medicaid Services (CMS). In order to maintain federal funding, the Department is required by CMS to submit and implement a plan of corrections related to the safety and health of clients and employees at Western State Hospital. (General Fund-State)

9. Mental Health Block Grant Authority

Federal expenditure authority is increased to match anticipated federal revenue for the Mental Health Block Grant, which provides comprehensive, community-based mental health services to adults and children. (General Fund-Federal)

10. Suicide Threat Response

Appropriations are increased for implementation of Second Substitute House Bill 1448 (Suicide threats, response to) which is expected to increase referrals for mental health treatment services. (General Fund-State; General Fund-Medicaid)

11. SBC Underspend

Single Bed Certifications (SBCs) allow for a psychiatric patient to receive care in bed that has not been certified to provide psychiatric evaluation and treatment services. Appropriations were increased in the FY 2015-17 operating budget to provide funding for an expansion of community hospital and psychiatric evaluation and treatment beds intended to eliminate the utilization of SBCs except in under a very limited set of circumstances. Appropriations are reduced on a one-time basis in FY 2016 to reflect estimated under-expenditures. (General Fund-State)

12. Diversion Underspend

Appropriations are reduced on a one-time basis in FY 2016 to reflect delayed implementation of services that would allow for prosecution of individuals with non-violent crimes to be diverted to mental health treatment services in lieu of prosecution. These services were funded in the FY 2015-17 operating budget but have not been contracted. (General Fund-State)

13. PICU Underspend

Appropriations are reduced on a one-time basis in FY 2016 to reflect savings achieved as a result of delayed implementation of a Psychiatric Intensive Care Unit (PICU) that was funded in the FY 2015-17 biennial budget. (General Fund-State)

14. Civil Ward Underspend

Appropriations are reduced to reflect savings in FY 2016 achieved as a result of delayed implementation of adding a 30-bed civil ward that was funded in the FY 2015-17 biennial budget. (General Fund-State)

15. Southwest RSN Reserves

Effective April 1, 2016, southwest Washington is transitioning to become an early adopter of fully integrated physical and behavioral health care. The current regional support network is required to return \$25.3 million in state and federal medicaid reserves remaining after termination of their contract. Of these amounts, \$12.6 million is estimated to be state funds and \$12.7 million is estimated to be federal funds. The Department must return all of the federal funds to the Center for Medicaid and Medicare Services. Of the remaining \$12.6 million, \$11.1 million will be used for a one-time savings in FY 2016 and the remaining \$1.5 million must be used on a one-time basis in FY 2017 to support the early adopter transition. This funding must be used to provide a reserve for non-Medicaid services in the region and stabilization of the new crisis services system. (General Fund-State; General Fund-Medicaid)

16. MH Enhancements Underspend

Appropriations and FTEs are increased to improve the quality of patient care and patient and staff safety at the state hospitals and compliance with court orders related to civil and forensic treatment. Pursuant to House Bill 2453 (State hospital oversight), funds are deposited into a Governor's Behavioral Health Innovation Fund. The Department must apply to the Office of Financial Management and meet other requirements of the bill in order to implement these funds. The funds may be used for a variety of strategies including, but not limited to, increasing civil and forensic bed capacity to meet court orders, hiring of nurses or other staff, and increasing training of staff at the state hospitals. (Governor's Behavioral Health Innovation Fund-State)

18. L&I Settlement Agreement Underspend

Appropriations are reduced on a one-time basis in FY 2016 to reflect savings achieved as a result of delayed implementation of safety training that was funded in the FY 2015-17 operating budget. (General Fund-State)

19. Office of Forensic MH underspend

Appropriations are reduced on a one-time basis in FY 2016 to reflect savings achieved as a result of delayed implementation of an Office of Forensic Mental Health (OFMH) that was funded in the FY 2015-17 operating budget. (General Fund-State)

20. PERT Underspend

Appropriations are reduced on a one-time basis in FY 2016 to reflect savings achieved as a result of delayed implementation of Psychiatric Emergency Response Teams (PERT) funded in the FY 2015-17 biennial budget. (General Fund-State)

21. WSH Discharge Coordinators

Funding is provided for 2 FTEs through fiscal year 2017, to be dedicated to working on the discharge of patients to the community for Western State Hospital in a timely manner. (General Fund-State)

22. Unilateral ESH & WSH Compensation

Comments:

1. AFH Change of Ownership Fee

The processing fee for adult family home change of ownership applications is reduced from \$2,750 to \$700. A General Fund-State appropriation is provided to backfill the reduced fee revenue to maintain support for agency regulatory functions. (General Fund-State; General Fund-Local)

2. Continuing Care Retirement

One-time General Fund-State support is provided to prepare for implementation of Second Substitute House Bill 2726 (retirement communities). The Department of Social and Health Services (Department) will register continuing care retirement communities (CCRCs) that provide complete application materials, and will maintain an online listing of registered CCRCs. Beginning in FY 2018, Department activities will be supported by CCRC registration fees. (General Fund-State)

3. IP Overtime

Individual Provider (IP) homecare worker overtime is funded in accordance with the U.S. Department of Labor (U.S. DOL) recent rule that applies provisions of the Fair Labor Standards Act (FLSA) to IPs, including a requirement that overtime pay be provided by third-party employers. This decision was upheld by the U.S. Federal Court of Appeals and funding will be available in April 2016. This item assumes passage of Engrossed Second Substitute House Bill 1725 (DSHS provider payment/hrs/wk). Funding for information technology (IT) updates associated with FLSA compliance are included in the IT pool. (General Fund-State; General Fund-Medicaid)

4. TBI Council projects

Funding is provided for the Traumatic Brain Injury (TBI) Council to expand the Seattle TBI Clubhouse by 14 beds and to offer a mobile application for veterans to connect with resources in their communities. (Traumatic Brain Injury Account-State)

5. Expand Kinship Care Navigator

One-time funding and FTE authority are provided to expand the kinship navigator program to the Colville Indian Reservation, Yakama Nation, and other tribal areas currently without kinship navigator services. (General Fund-State)

6. Enhanced Service Facility Savings

Due to a delay in bringing licensed Enhanced Service Facility (ESF) beds online, one-time savings are recognized in 2015-17. It is anticipated that two licensed ESF providers will open in March 2016 and will take 20 ESF clients, with an 14 additional clients being placed during FY 2017. (General Fund-State; General Fund-Medicaid)

7. Adult Protective Services Grant

The Department received a one-time grant from the U.S. Department of Health and Human Services for Enhanced Adult Protective Services (APS). The Department will train staff, develop policy and practice changes, develop a quality assurance review process for fatality/near fatality incidents, and implement an expanded APS data collection system. (General Fund-Medicaid)

8. Health Home Services

The Health Homes program integrates care within existing systems for high-risk, high-cost adults and children, including clients that are dually-eligible for Medicare and Medicaid. Funding for dual-eligibles ended on December 31, 2015. Funding is provided to continue offering these services and to expand them to King and Snohomish counties, the remaining two counties where these services were not previously provided. (General Fund-State; General Fund-Medicaid)

9. Enhanced Community SVCS Plus NH

Funding is provided to discharge 30 geriatric patients from Western State Hospital into a qualified long-term services and support setting by January 2017, pursuant to Substitute Senate Bill 6656 (state hospital practices) or Engrossed Second Substitute House Bill 2453 (state hospital oversight). (General Fund-State; General Fund-Medicaid)

10. DD Client Protections

Funding is provided to implement Engrossed Second Substitute Senate Bill 6564 (developmental disability client protections) which, among other provisions, requires the Department to conduct vulnerable adult fatality reviews when it has reason to believe the death may be related to abuse, abandonment, neglect, or exploitation, and the individual was receiving services or was the subject of a report with the Department. (General Fund-State; General Fund-Medicaid)

11. Caseload Fund Shift

Fund balances from the Adult Family Home Account and Assisted Living Facility Temporary Management Account are used on a one-time basis for forecasted caseload costs in lieu of the state general fund. (General Fund-State; Assisted Living Facility Temporary Management Account-Fed Grnt; Adult Family Home Account-Fed Grnt; other accounts)

12. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. 1. Notification Changes			
Pursuant to HB 2915 (DSHS notification requirements), funding is reduced to reflect savings by utilizing first class mail, regular mail, or email to serve notice of intent to withhold and deliver on overpayment debt, notice of child support debt accrual, and second notices for suspensions and withholdings of state licenses. Currently, child support enforcement notices communicated after the original order, and overpayment notices are sent by certified mail. (General Fund-State; General Fund-Federal)			
2. Family Child Care Providers			
The 2015-17 collective bargaining agreement included reopener provisions for FY 2017. The funding provides family child care providers a base rate increase, an increase in tiered reimbursement rates for levels three through five, as well as a slot-based pilot project as provided in the supplemental agreement. (General Fund-State)			
3. Behavioral Intervention Grant			
One-time federal expenditure authority is increased to allow the agency to draw down a federal grant award to complete a demonstration and evaluation project. The pilot project uses behavioral economics focusing on engagement, intervention, enforcement, and evaluation. (General Fund-Federal)			
4. Child Support Electronic Payments			
Increased efficiencies and cost savings in child support collections are anticipated pursuant to SB 6499 which requires employers with ten or more employees to remit withheld child support through electronic means. One-time funding is provided for one FTE staff to provide technical support to employers transitioning to electronic payment systems and to make waiver determinations for cases where compliance would cause the employer financial hardship. Savings are anticipated in FY 2018 and each year thereafter. (General Fund-State; General Fund-Fam Supt)			
5. Access to HealthPlanFinder			
Chapter 4, Laws of 2015, 3rd sp.s., (ESSB 6052) directed the Economic Services Administration (ESA) to access the Washington Healthplanfinder (HPF) online Medicaid application and to assist clients with obtaining a Medicaid eligibility determination. The HPF is operated by the Health Benefit Exchange (HBE). Funding is provided to reimburse the HBE for data/file servers and support services for an additional 2,000 users within DSHS. (General Fund-State; General Fund-Federal)			
6. Community Voicemail			
Funding is provided for community voicemail services, which provides low-income individuals with a private phone number that will allow individuals to receive and retrieve voicemail messages. (General Fund-State)

7. Medicaid Cost Allocation Correction

Chapter 4, Laws of 2015, 3rd sp.s., (ESSB 6052) directed the Economic Services Administration (ESA) to assist clients with Medicaid applications through the Healthplanfinder online Medicaid application. The staffing cost allocation model assumes ESA may receive a 75 percent Medicaid reimbursement rate. For federal FY 2016, the Centers for Medicare and Medicaid Services only approved the 75 percent reimbursement rate for specific staff types. The remaining staff may receive a 50 percent Medicaid reimbursement rate. Funding is provided in FY 2016 for the difference between the assumed and approved Medicaid reimbursement rate and increased state share based on more recent cost allocation data. (General Fund-State; General Fund-Federal; General Fund-Medicaid; other accounts)

8. Underspent TANF Employment/Training

Funding is reduced on a one-time basis to reflect under-expenditures for the TANF employment and training programs in FY 2016. (General Fund-State)

9. Employment Services

Administrative Contingency Account funding is provided to replace General Fund-State for WorkFirst Activities on a one-time basis. (General Fund-State; Administrative Contingency Account-State)

10. 2SHB 2877 - SNAP Benefits

Funding is provided to implement Second Substitute House Bill 2877 (SNAP benefit distribution dates) . The bill requires the department to extend the dates to disburse Supplemental Nutrition Assistance program (SNAP) benefits from the current period of the first ten days of the month to the first 20 days of the month. The funding is contingent on the Department receiving the SNAP bonus award. (General Fund-Federal)

11. One-Time Relocation

Funding is provided to cover one-time costs associated with relocating three facilities in Seattle to less costly leased space. (General Fund-State; General Fund-Federal)

12. WorkFirst Fund Balance

General Fund-State in the Temporary Assistance for Needy Families (TANF) program is reduced and replaced with available federal TANF. (General Fund-State; General Fund-TANF)

13. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. 1. Medication Assisted Treatment

The Washington State Medication Assisted Treatment-Prescription Drug and Opioid Addiction program (WA-MAT-PDOA) is a collaborative effort between the state, Harborview Medical Center, and Evergreen Treatment Services to address the rising opioid-related problems in the state. Appropriation authority is increased to provide funding through a federal grant for the WA-MAT-PDOA to implement a program to expand access to integrated medication assisted treatment (MAT) with buprenorphine for individuals with opioid addiction. 2. IMD Waiver

In developing actuarial rates and waiver changes for behavioral health organizations effective in April 2016, the Department is estimating that services provided in facilities that were previously excluded from Medicaid match will be allowed to be provided with Medicaid in lieu of other more expensive services. The federal appropriation authority is increased to reflect this change. The Department must repurpose \$7.9 million in general fund state that is required for the estimated state match. The funds that are being repurposed shall be backfilled with federal substance abuse prevention treatment grant funds that will no longer be needed to pay for services in the facilities which are now eligible for Medicaid. (General Fund-Medicaid)

3. Treatment for Offenders

Increases the appropriation authority in the Criminal Justice Treatment Account to allow increased funding for substance abuse treatment and treatment support services for offenders and to support drug courts. (Criminal Justice Treatment Account-State)

4. Involuntary Treatment

Appropriations are increased pursuant to Third Substitute House Bill 1713 (mental health, chemical dependency) which begins to integrate the involuntary treatment provisions and systems for chemical dependency and mental health, and integrates other provisions pertaining to minor-initiated and parent-initiated chemical dependency and mental health treatment for minors. The bill is expected to result in the need for nine 16-bed secure detoxification centers that will provide short-term involuntary commitment services for individuals with substance use disorders. These facilities will be phased in between April 2018 and July 2026. Commitment to a secure detox facility will be contingent upon the availability of beds until July 2026. Funding provided in the FY 2015-17 biennium is for training and ombuds related services. The first facility is assumed to become operational in April 2018 and the second one in April 2019. (General Fund-State; General Fund-Medicaid)

Comments:

1. Public Participation Grant Reduct.

Public participation grants enable not-for-profit public interest groups to involve and educate Washington residents about contaminated site cleanups and reduction of waste and toxics. Per RCW 70.105D.070, public participation grants must be funded at 1 percent of the moneys collected under the hazardous substance tax (HST). Funding is suspended in the 2015-17 biennium to manage expenditures with forecasted HST revenue. (Environmental Legacy Stewardship Account-State)

2. Fund Shift to Reclamation Account

A one-time shift in funding is made from General Fund-State to the Reclamation Account for activities in the Water Resources program. (General Fund-State; Reclamation Account-State)

3. Reduce Water Exp. to Match Reven

Operating funding in the State and Local Improvement Revolving Account-Water Supply Facilities supports water resources work at the Department of Ecology, as well as bond-supported capital grants and loans for agricultural water supply facilities. In recent years, operating revenue has been insufficient to cover operating expenditure authority. Funding is reduced permanently to a level that can be supported with anticipated operating revenue. (St/Loc Impr Rev Account Water Supply Facilities-State)

4. Fund Shift/Water Quality Perm. Acct

A total of \$2.4 million in Water Quality program costs is shifted on a one-time basis to the Water Quality Permit Account from the State Toxics Control Account. (State Toxics Control Account-State; Water Quality Permit Account-State)

5. Air Quality Fund Shift

A total of \$700,000 in Air Quality program costs is shifted on a one-time basis from the State Toxics Control Account to the Air Pollution Control Account. (State Toxics Control Account-State; Air Pollution Control Account-State)

6. Shift Water Resource Data System

A total of \$400,000 in Water Resource Program costs is shifted on a one-time basis from General Fund-State to the Water Rights Tracking System Account-State. (General Fund-State; Water Rights Tracking System Account-State)

7. Moore v HCA Settlement

Funds are provided for expenditure into the Special Personnel Litigation Revolving Account to pay the settlement costs in the four related Moore v. Health Care Authority lawsuits. (General Fund-State; Reclamation Account-State; Flood Control Assistance Account-State; other accounts)

8. HQ Emergency Generator and HVAC COP

The Department of Ecology is using certificates of participation (COP) to finance upgrades to the heating, ventilation and air conditioning system (HVAC) and to replace the emergency generator at its headquarters facility in Lacey. A combination of one-time and ongoing funding is provided for debt service for these COPs. (General Fund-State; Waste Reduction/Recycling/Litter Control-State; State Toxics Control Account-State; other accounts)

9. Attendance Tracking Replacemnt Proj

In 2013, Washington State procured user licenses for the WorkForce Software EmpCenter product as part of the planned statewide Time, Leave and Attendance project in which Ecology and the Department of Transportation participated. Subject to the requirements of the IT Pool in the 2015-17 biennial budget, one-time funding and FTE staff are provided to implement this system for the Department of Ecology including software design, project management, employee training and quality assurance. (General Fund-State; Waste Reduction/Recycling/Litter Control-State; State Toxics Control Account-State; other accounts)

10. State Drought Preparedness Account

A one-time transfer is made from the Water Rights Processing Account to the State Drought Preparedness Account to correct a deposit of private payments into the wrong account. This transfer and the increased expenditure authority in the State Drought Preparedness Account will allow Ecology to meet commitments associated with the 2015 emergency drought wells. (State Drought Preparedness-State)

11. Water Storage/Exempt Wells

Pursuant to Engrossed Senate Bill 6589 (Water Storage/Exempt Wells) one-time funding is provided to Ecology, in cooperation with the Department of Health, Skagit County, and non-municipal water systems to complete a study by December 1, 2016, that evaluates water storage options in the Skagit River basin. (General Fund-State)

12. Water Power Fee Reporting

Pursuant to Substitute House Bill 1130 (Water power license fees), ongoing funding is provided to adjust reporting and staffing activities related to hydropower license fees. (Reclamation Account-State)

13. Shoreline Mgmt Local Govt

Funding is reduced on a one-time basis for the Shoreline Master Program grants to local governments that are not under contract in order to manage expenditures with the forecasted HST revenue. (Environmental Legacy Stewardship Account-State)

14. Stormwater Capacity Grants

Funding is reduced on a one-time basis for the stormwater capacity grants that are not under final agreement for the 2017 fiscal year in order to manage expenditures with the forecasted HST revenue. (Environmental Legacy Stewardship Account-State)

15. MTCA Hiring Restrictions

One-time savings are assumed from the Model Toxic Control Act (MTCA) accounts by Ecology implementing hiring restrictions in April 2016. (State Toxics Control Account-State; Local Toxics Control Account-State; Environmental Legacy Stewardship Account-State; other accounts)

16. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

17. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-State; Waste Reduction/Recycling/Litter Control-State; State Toxics Control Account-State; other accounts)

18. DES Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Department of Enterprise Services (DES) in the 2015-17 biennium, including the expectation that agencies that choose to use DES personnel, recruitment and training services will pay higher fees for those services. (General Fund-State; Waste Reduction/Recycling/Litter Control-State; State Toxics Control Account-State; other accounts)

19. Data Processing Revolving Account

The Data Processing Revolving Account was eliminated in Chapter 1, Laws of 2015, 3rd Special Session. The deficit that remained in the account was transferred to the Statewide Information Technology Systems Development Revolving Account. The cost to remove the deficit is being allocated to all state funds and accounts. Comments:

1. Wildfire Season Costs Fund Shift

In the 2015-17 budget, the Department of Fish and Wildlife was provided General Fund-State for a base budget for fire suppression costs. This funding is reduced in response to fire suppression funding provided in other legislation. (General Fund-State)

2. Wildfire Recovery

One-time funding is provided for wildlife habitat restoration activity, including the purchase and planting of native seeds, wildlife feeding, fence repair, and noxious weed control. (Disaster Response Account-State)

3. SW Regional Office Relocation

One-time funding is provided for moving costs and ongoing funding is provided for a lease rate increase for the southwest regional office.
(State Wildlife Account-State)

4. Moore v HCA Settlement

Funds are provided for expenditure into the Special Personnel Litigation Revolving Account to pay the settlement costs in the four related Moore v. Health Care Authority lawsuits. (General Fund-State; ORV & Non-Highway Vehicle Account-State; Aquatic Lands Enhancement Account-State; other accounts)

5. Hatchery Production

Ongoing funding is provided for fish production at Naselle Hatchery. (General Fund-State)

6. Cougar Depredation

Ongoing funding is provided to pay claims for confirmed cougar depredations on livestock. (General Fund-State)

7. Conflict Transformation Capacity

Ongoing funding is provided for the department to establish a work unit to engage and empower diverse stakeholders in decisions about fish and wildlife. (General Fund-State)

8. Livestock Damage Prevention

Ongoing funding is provided for cost-share partnerships between the Department of Fish and Wildlife (WDFW) and landowners through Livestock Damage Prevention Cooperative agreements. The agreements are part of WDFW's efforts to help landowners implement measures to reduce the potential for wolf-livestock conflict. (General Fund-State)

9. Fish Management

One-time funding is provided to maintain hatchery production and facilities, comply with the Endangered Species Act, monitor fisheries, and provide enforcement for recreational salmon, steelhead and commercial salmon fisheries. (General Fund-State; State Wildlife Account-State)

10. Modern and Accessible WDFW Website

A combination of one-time and ongoing funding is provided to develop a new website that is readable from mobile platforms, accommodates current and new applications, and allows visually-impaired users to access WDFW information. (State Wildlife Account-State)

11. Improve Maintenance of State Lands

Eight percent of Discover Pass sales revenue is deposited into the State Wildlife Account. Ongoing funding is provided for tasks that keep lands and access sites open, maintained, and accessible for recreation. (State Wildlife Account-State)

12. Marine Vessel Grant Match

The U.S. Department of Homeland Security recently awarded a grant to the Department of Fish and Wildlife's Enforcement Program to replace two marine vessels with a new 38-foot command and control vessel. WDFW will operate the new boat in the central Puget Sound basin where it will be used to enforce recreational and commercial fishing regulations, provide boating safety presence and response, and support search and rescue operations. One-time funding is provided for the 25 percent state match required by the federal grant. (General Fund-State; General Fund-Federal; State Wildlife Account-State; other accounts)

13. Forage Fish Survey

One-time funding is provided for the Northwest Straits Commission's assistance in conducting and evaluating the forage fish surveys in Puget Sound. (General Fund-State)

14. Elk Hoof Disease

One-time funding is provided for addressing elk hoof disease in affected areas of the state. (State Wildlife Account-State)

15. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

16. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

17. DES Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Department of Enterprise Services (DES) in the 2015-17 biennium, including the expectation that agencies that choose to use DES personnel, recruitment and training services will pay higher fees for those services. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

18. Data Processing Revolving Account

The Data Processing Revolving Account was eliminated in Chapter 1, Laws of 2015, 3rd Special Session. The deficit that remained in the account was transferred to the Statewide Information Technology Systems Development Revolving Account. The cost to remove the deficit is being allocated to all state funds and accounts. (General Fund-State; General Fund-Local; State Wildlife Account-State; other accounts)

19. OFM Central Services

Agency budgets are adjusted for each agency's allocated share of charges for the Office of Financial Management (OFM) budget, accounting, and forecasting activities in the 2015-2017 biennium. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

20. Wildfire Season Costs

WDFW is required to pay local fire districts and the Department of Natural Resources (DNR) for their support in fighting wildfires on WDFW lands. One-time funding is provided for fire suppression costs associated with wildfires occurring during FY 2016. (Budget Stabilization Account-State)

Comments:

1. LiDAR Partnerships

In the 2015-17 budget, the Department of Natural Resources (DNR) received ongoing funding to collect and analyze LiDAR (a high-resolution remote sensing technology) data and to increase geological expertise. Additional expenditure authority will allow DNR to collect revenue from various partners who want to purchase DNR's services for collecting and analyzing LiDAR data. (Surveys and Maps Account-State)

2. ORV Recreation

The Department of Natural Resources manages over 1,100 miles of trails, many of which are used by off-road vehicles. Ongoing funding is provided to increase outreach and volunteer efforts, maintain recreational facilities and trails, and reduce the maintenance backlog for trails used by off-road vehicles. (ORV & Non-Highway Vehicle Account-State)

3. Adaptive Management Fund Shift

In the 2015-17 budget, the Department of Natural Resources received ongoing funding for Adaptive Management projects. The Adaptive Management program was created to provide science-based recommendations and technical information to assist the Forest Practices Board in achieving the resource goals and objectives of the state. A portion of the funding for this program is shifted from General Fund-State to the Forest and Fish Support Account on an ongoing basis. (General Fund-State; Forest and Fish Support Account-State)

4. Staff Cost Adjustments

Additional authority in the Resources Management Cost Account will provide resources to fund cost of living adjustments, salary adjustments for targeted job classifications, and increases in pension and health insurance costs. (Resources Management Cost Account-State)

5. Forest Practices Reinvestment

The Forest Practices program at DNR develops and issues operational guidance on forest practices. Since 2009, DNR's Forest Practices program has experienced a 36 percent increase in forest practices applications (FPAs). The Forest Practices Board also has approved a new requirement for harvest on unstable slopes. Ongoing funding is provided for a geologist to help regions screen FPAs for potentially unstable slopes and for two regional forest practices foresters to increase field review, compliance and enforcement of FPAs. (General Fund-State; Forest Practices Application Account-State)

6. Forest Resiliency Burning

Pursuant to Engrossed Substitute House Bill 2928 (Outdoor burning/forest fires), one-time funding is provided for a forest resiliency burning pilot project conducted by forest health cooperatives and for related Department of Natural Resources administrative expenses. (Disaster Response Account-State)

7. Fire Suppression Fund Shifts

In the 2015-17 budget, the Department of Natural Resources received General Fund-State funding as part of a base budget for fire suppression costs. For FY 2016, this base funding is reduced in response to fire suppression funding provided in other legislation. Additional federal authority for fire suppression costs is also provided. (General Fund-State; General Fund-Federal)

8. Moore v HCA Settlement

Funds are provided for expenditure into the Special Personnel Litigation Revolving Account to pay the settlement costs in the four related Moore v. Health Care Authority lawsuits. (General Fund-State; Forest Development Account-State; ORV & Non-Highway Vehicle Account-State; other accounts)

9. Teanaway Community Forest

The 50,000-acre Teanaway Community Forest was acquired in September 2013 as Washington's first community forest. One-time funding is provided to monitor access to the Teanaway Community Forest with signs, gates, and locks; complete a trail inventory; and purchase facilitation services to complete a recreation plan. Ongoing authority in the Community Forest Trust Account will reimburse management costs incurred by the department on community trust lands. (Park Land Trust Revolving Account-Non-Appr; Community Forest Trust Account-State)

10. Prevention and Forest Health

One-time funding is provided from the Resources Management Cost Account for fuel reduction and forest health activities on state lands. Ongoing funding is provided from the Disaster Response Account for wildfire prevention education, outreach, and technical assistance to landowners. 12. 20-Yr Forest Health Strategic Plan

Ongoing funding is provided for the Department of Natural Resources to develop a 20-year strategic plan for treating state forest lands in poor health. (Disaster Response Account-State)

13. Smoke Management Plan

The Smoke Management Plan was created to coordinate the regulation of prescribed outdoor burning on certain state, federal, and tribal lands and to meet the requirements of the Clean Air Act and Forest Protection laws. Ongoing funding is provided to update the Smoke Management Plan in consultation with the Department of Ecology, other state and federal agencies, and relevant stakeholders. (Disaster Response Account-State)

14. Aerial Attack Wildfires

Ongoing funding is provided to enhance the Department of Natural Resource's capacity for aerial attack of wildfires. (Disaster Response Account-State)

15. Coordinated Command

Ongoing funding is provided for fire commanders in fire-prone regions to coordinate local and regional fire response. (Disaster Response Account-State)

16. Local Fire Resources

Comments:

1. Moore v HCA Settlement

Funds are provided for expenditure into the Special Personnel Litigation Revolving Account to pay the settlement costs in the four related Moore v. Health Care Authority lawsuits. (General Fund-State; Death Investigations Account-State; County Criminal Justice Assistance Account-State; other accounts)

2. Fund Shift/Disaster Response

Funding authority is reduced on a one-time basis from the Disaster Response Account for state fire services resource mobilization costs and one-time funding is provided from the Fire Safety Training Account for state fire service resource mobilization costs. (Disaster Response Account-State; Fire Service Training Account-State)

3. Sexual Assault Kit Tracking system

Pursuant to Second Substitute House Bill 2530 (victims of sex crimes), funding is provided to implement the statewide Sexual Assault Kit Tracking System. (Fingerprint Identification Account-State)

4. Sexual Assault Exam Kit backlog

Funding is provided for the Washington State Patrol Crime Lab to reduce the backlog of sexual assault exam kits required for examination under state law. (Sexual Assault Kit Account-Non-Appr)

5. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; General Fund-Federal; Death Investigations Account-State; other accounts)

6. WSP Recruitment and Retention

Funding is provided for increased compensation costs related to Engrossed Second Substitute House Bill 2872 (WSP recruitment and retention). (General Fund-State; General Fund-Local; Vehicle License Fraud Account-State; other accounts)

7. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-State)

8. DES Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Department of Enterprise Services (DES) in the 2015-17 biennium, including the expectation that agencies that choose to use DES personnel, recruitment and training services will pay higher fees for those services. (General Fund-State)

9. Data Processing Revolving Account

The Data Processing Revolving Account was eliminated in Chapter 1, Laws of 2015, 3rd Special Session. The deficit that remained in the account was transferred to the Statewide Information Technology Systems Development Revolving Account. The cost to remove the deficit is being allocated to all state funds and accounts. (General Fund-State)

10. OFM Central Services

Agency budgets are adjusted for each agency's allocated share of charges for the Office of Financial Management (OFM) budget, accounting, and forecasting activities in the 2015-2017 biennium. (General Fund-State)

11. Fire Mobilizations

Funds are provided to cover costs incurred by local jurisdictions, other state and federal agencies, and volunteer firefighters for combating wildfires in Washington State. (Budget Stabilization Account-State)

Comments:

1. Washington Achievers Scholars

Funding is provided to expand the Washington higher education readiness program to an additional school district, beginning in the 2016-17 school year. The expansion is sufficient to increase the students served by approximately 170 students. (General Fund-State)

2. Educational Opportunity Gap

Funding is provided to implement Fourth Substitute House Bill 1541 (educational opportunity gap), including: a report on the outcomes of youth in the juvenile justice system; development of cultural competence training for all school staff; collection of student data disaggregated by sub-racial and sub-ethnic categories; posting and disaggregation of racial and ethnic data related to teachers and their average length of service; establishment of the Washington Integrated Student Supports Protocol (WISSP) to promote the success of students by coordinating academic and non-academic supports; and creation of a work group to determine how to implement WISSP. (General Fund-State)

3. Foster Youth Ed. Outcomes

Funding is transferred from the Department of Social and Health Services to the Office of the Superintendent of Public Instruction for contracted services to support educational outcomes for dependent children and youth, pursuant to Fourth Substitute House Bill 1999 (foster youth educational outcomes). (General Fund-State)

4. Homeless Student Stability

Funding is provided to implement a competitive grant program to evaluate and award grants to school districts to pilot increased identification of homeless students and the capacity to provide support, as established in Third Substitute House Bill 1682 (homeless students). (General Fund-State)

5. Quality Education Council

Funding is reduced, reflecting the elimination of the Quality Education Council, pursuant to House Bill 2360 (quality education council). (General Fund-State)

6. Summer Internship Program

Funding is provided for a skilled workforce development high school summer internship pilot project. Two urban high schools will partner with the Port of Seattle and manufacturing and maritime employers to provide summer internships to ten students. (General Fund-State)

7. Truancy Reduction

Funding is provided to implement Second Substitute House Bill 2449 (truancy reduction), including: implementation of a grant program, with grants totaling \$350,000, to provide training for members of therapeutic truancy boards; dissemination of truancy board best practices to all school districts; and staff support for the Educational Opportunity Gap Oversight and Accountability Committee to review and make recommendations to the Legislature regarding cultural competence training truancy board members should receive. (General Fund-State)

8. Since Time Immemorial Program

Funding is provided on a one-time basis to implement the Since Time Immemorial program, supporting instructional programs focused on Native history, culture and government, including: website updates to accommodate video content and online teaching tools; and training for classroom certificated instructional staff. (General Fund-State)

9. Education Funding Task Force

Funding is provided for implementation of Engrossed Second Substitute Senate Bill 6195 (basic education obligations), establishing the Education Funding Task Force, directing the Washington State Institute for public Policy to contract for independent professional consulting services, and directing the Office of the Superintendent of Public Instruction to work with school districts to collection compensation data. (General Fund-State)

10. School Safety

Funding is provided for implementation of Engrossed Senate Bill 6620 (school safety), requiring the Office of the Superintendent of Public Instruction (OSPI) to hold annual school safety summits, develop an online social and emotional training module for educators, and allowing educational service districts to implement a regional school safety and security program. (General Fund-State)

11. Teacher Shortage

Funding is provided for implementation of section 1 of Engrossed Second Substitute Senate Bill 6455 (professional educator workforce), implementing a statewide initiative to increase the number of qualified individuals who apply for teaching positions in Washington, including creation of a website providing useful information to individuals who are interested in teaching and incorporating certificated positions into the Employment Security Department's existing web-based depository for job applications. (General Fund-State)

12. Reenactment of Charter Laws

On September 4, 2015, the Washington Supreme Court ruled the charter school laws enacted as I-1240 were unconstitutional. After the court declined to reconsider its ruling, the decision took effect December 9, 2015, making the charter school laws void. Engrossed Second Substitute Senate Bill 6194 (Public schools other than common schools) reenacts and amends the charter school laws to establish charter schools as public schools outside the common school system, and the bill requires that funding for charter schools come from the Washington Opportunity Pathways Account-State. Comments:

1. Academic Acceleration

The academic acceleration program, Chapter 184, Laws of 2013 (2SHB 1642), fiscal year 2016 appropriation is reduced by \$205,000 which is equal to the grant amounts that are expected to be recovered at the end of the fiscal year. (General Fund-State)

2. Dual Credit IB

Funding is provided in fiscal year 2017 for grants to high schools with existing dual credit international baccalaureate programs and free and reduced meal enrollments of more than seventy percent. (General Fund-State)

3. Recruit and Retain K12 Staff

Funding is provided to promote the recruitment and retention of K-12 Public School staff as follows: \$3.5 million is added to the Beginning Educator Support Team program; and \$1.75 million is added for professional development for classroom paraeducators. (General Fund-State)

4. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. 1. Reenactment of Charter Laws

On September 4, 2015, the Washington Supreme Court ruled the charter school laws enacted as I-1240 were unconstitutional. After the court declined to reconsider its ruling, the decision took effect December 9, 2015, making the charter school laws void. Engrossed Second Substitute Senate Bill 6194 (Public schools other than common schools) reenacts and amends the charter school laws to establish charter schools as public schools outside the common school system, and the bill requires that funding for charter schools come from the Washington Opportunity Pathways Account-State. 1. Family Child Care Providers

The 2015-17 collective bargaining agreement included reopener provisions for FY 2017. This funding provides family child care providers a base rate increase, an increase in tiered reimbursement rates for levels three through five, a slot-based pilot project, and training and quality improvements as provided in the supplemental agreement. (General Fund-State)

2. ECLIPSE Funding

This item replaces federal funding on a one-time basis for the Early Childhood Intervention Prevention Services (ECLIPSE) program. The program provides early intervention services and treatment in a child care setting for over 350 children, birth through age five, with significant developmental, behavioral and mental health challenges. Use of federal Medicaid dollars to support this program has been prohibited since 2014. (General Fund-State)

3. Utilize CCDF

Items in the Early Achievers Program previously funded with General Fund-State are moved to General Fund-Federal due to an increase in federal funding from the Child Care Development Block Grant. (General Fund-State; General Fund-Federal)

4. Child Care Health and Safety

Funding is provided for 10 social and health program consultants to complete annual in-home health and safety checks for non-relative unlicensed friends and neighbors, and fingerprint background checks for all unlicensed family, friends, and neighbors providing subsidized child care for children in the Working Connections Child Care program. (General Fund-State)

5. FY 16 Staffing Underspend

Actual staff costs are \$1.7 million below agency allotments for the first 6 months of the biennium. This adjustment project the agency will be fully staffed by May 2016, but will continue the pattern of actual salary and benefit costs per FTE slightly below allotment levels. (General Fund-State)

6. PEBB Funding Rate

The state employer contribution for state employee insurance benefits is reduced for FY 2017 from \$894 per month to \$888 per month. Reductions are achieved while maintaining fully funded reserves through the use of accumulated surplus funds due to reduced claims costs. The Health Care Authority is also required to review the cost-effectiveness of the wellness program, and report to the appropriate committees of the legislature on the effectiveness of the program, including at least the effectiveness of the contractors' communication strategies, rates of employee engagement, and the identification and quarterly measurement of employee wellness outcome criteria. (General Fund-State; General Fund-Federal)

7. CTS Central Services

Agency budgets are adjusted to update each agency's allocated share of charges and to align with anticipated billing levels from the Consolidated Technology Services (CTS) in the 2015-17 biennium, which includes additional funding for network capacity planning and Secure Access Washington. (General Fund-Federal)

9. Data Processing Revolving Account

The Data Processing Revolving Account was eliminated in Chapter 1, Laws of 2015, 3rd Special Session. The deficit that remained in the account was transferred to the Statewide Information Technology Systems Development Revolving Account. The cost to remove the deficit is being allocated to all state funds and accounts. (General Fund-State; Indiv-Based/Portable Bkgrd Check Clearance Account-Non-Appr)

10. OFM Central Services

Agency budgets are adjusted for each agency's allocated share of charges for the Office of Financial Management (OFM) budget, accounting, and forecasting activities in the 2015-2017 biennium. (General Fund-State; General Fund-Federal; Home Visiting Services Account-Federal; other accounts)
