Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. For the purpose of providing funds to finance the projects described and authorized by the legislature in the omnibus capital and operating appropriations acts for the 2019-2021 and 2021-2023 fiscal biennia, and all costs incidental thereto, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of $3,971,290,793, or as much thereof as may be required, to finance these projects and all costs incidental thereto. Bonds authorized in this section may be sold at such price as the state finance committee shall determine. No bonds authorized in this section may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

NEW SECTION. Sec. 2. (1) The proceeds from the sale of bonds authorized in section 1 of this act shall be deposited in the state building construction account created by RCW 43.83.020. The proceeds shall be transferred as follows:
(a) $3,800,722,793 to remain in the state building construction account created by RCW 43.83.020;
(b) $170,568,000 to the state taxable building construction account. All receipts from taxable bonds issued are to be deposited into the account. If the state finance committee deems it necessary or advantageous to issue more than the amount specified in this subsection (1)(b) as taxable bonds in order to comply with federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds or in order to reduce the total financing costs for bonds issued, the proceeds of such additional taxable bonds shall be transferred to the state taxable building construction account in lieu of any transfer otherwise provided by this section. If the state finance committee determines that a portion of the
amount specified in this subsection (1)(b) as taxable bonds may be
issued as nontaxable bonds in compliance with federal internal
revenue service rules and regulations pertaining to the use of
nontaxable bond proceeds, then such bond proceeds shall be
transferred to the state building construction account in lieu of the
transfer to the state taxable building construction account otherwise
provided by this subsection (1)(b). The state treasurer shall submit
written notice to the director of financial management if it is
determined that any such additional transfer to the state taxable
building construction account is necessary or that a transfer from
the state taxable building construction account to the state building
construction account may be made. Moneys in the account may be spent
only after appropriation.

(2)(a) The state treasurer shall transfer bond proceeds deposited
in the state building construction account into the outdoor
recreation account created by RCW 79A.25.060, the habitat
conservation account created by RCW 79A.15.020, the farm and forest
account created by RCW 79A.15.130, and the Ruth Lecocq Kagi early
learning facilities development account created by RCW 43.31.569, at
various times and in various amounts necessary to support authorized
expenditures from those accounts.

(b) The state treasurer shall transfer bond proceeds deposited in
the state taxable building construction account into the Ruth Lecocq
Kagi early learning facilities revolving account created by RCW 43.31.569 at various times and in various amounts necessary to
support authorized expenditures from that account.

(3) These proceeds shall be used exclusively for the purposes
specified in this section and for the payment of expenses incurred in
the issuance and sale of the bonds issued for the purposes of this
section, and shall be administered by the office of financial
management subject to legislative appropriation.

NEW SECTION.  Sec. 3.  (1) The debt-limit general fund bond
retirement account shall be used for the payment of the principal of
and interest on the bonds authorized in section 1 of this act.

(2) The state finance committee shall, on or before June 30th of
each year, certify to the state treasurer the amount needed in the
ensuing twelve months to meet the bond retirement and interest
requirements on the bonds authorized in section 1 of this act.
(3) On each date on which any interest or principal and interest payment is due on bonds issued for the purposes of section 2 (1) and (2) of this act the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the debt-limit general fund bond retirement account an amount equal to the amount certified by the state finance committee to be due on the payment date.

NEW SECTION. Sec. 4. (1) Bonds issued under section 1 of this act shall state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay the principal and interest as the same shall become due.

(2) The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 5. The legislature may provide additional means for raising moneys for the payment of the principal of and interest on the bonds authorized in section 1 of this act, and sections 2 and 3 of this act shall not be deemed to provide an exclusive method for the payment.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."
On page 1, line 2 of the title, after "accounts;" strike the remainder of the title and insert "adding a new chapter to Title 43 RCW; and declaring an emergency."

**EFFECT:** Authorizes the State Finance Committee to issue $3.97 billion in general obligation bonds to finance projects in the 2021-23 capital budget and to pay issuance and bond sale expenses.
