Authorizing bonds for transportation funding.
AN ACT Relating to authorizing bonds for transportation funding;  
adding new sections to chapter 47.10 RCW; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. In order to provide funds necessary for 
the location, design, right-of-way, and construction of selected 
projects or improvements that are identified as forward Washington 
projects or improvements in an omnibus transportation appropriations 
act, there shall be issued and sold upon the request of the 
department of transportation a total of $5,500,000,000 of general 
obligation bonds of the state of Washington.

NEW SECTION. Sec. 2. Upon the request of the department of 
transportation, as appropriate, the state finance committee shall 
supervise and provide for the issuance, sale, and retirement of the 
bonds in this act in accordance with chapter 39.42 RCW. Bonds 
authorized by this act shall be sold in the manner, at time or times, 
in amounts, and at the price as the state finance committee shall 
determine. No bonds may be offered for sale without prior legislative 
appropriation of the net proceeds of the sale of the bonds.

The state finance committee shall consider the issuance of short-
term obligations in lieu of long-term obligations for the purposes of

Code Rev/AI:jlb 1 S-2573.2/21 2nd draft
more favorable interest rates, lower total interest costs, and increased marketability and for the purpose of retiring the bonds during the life of the project for which they were issued.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by section 1 of this act shall be deposited in the forward Washington account in the motor vehicle fund. The proceeds shall be available only for the purposes enumerated in section 1 of this act, for the payment of bond anticipation notes, if any, and for the payment of bond issuance costs, including the costs of underwriting.

NEW SECTION. Sec. 4. Bonds issued under the authority of this section and sections 1 through 3, 5, and 6 of this act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal and interest on the bonds shall be first payable in the manner provided in this section and sections 1 through 3, 5, and 6 of this act from the proceeds of the state excise taxes on fuel imposed by chapter 82.38 RCW and vehicle-related fees imposed under Title 46 RCW that constitute license fees for motor vehicles required to be used for highway purposes. Proceeds of these excise taxes and vehicle-related fees are hereby pledged to the payment of any bonds and the interest thereon issued under the authority of this section and sections 1 through 3, 5, and 6 of this act, and the legislature agrees to continue to impose these excise taxes on fuel and vehicle-related fees in amounts from such sources sufficient to pay, when due, the principal and interest on all bonds issued under the authority of this section and sections 1 through 3, 5, and 6 of this act.

NEW SECTION. Sec. 5. (1) Both principal and interest on the bonds issued for the purposes of this section and sections 1 through 4 and 6 of this act shall be payable from the highway bond retirement fund. The state finance committee may provide that a special account be created in the fund to facilitate payment of the principal and interest. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest on the bonds in accordance with the bond Code Rev/AI:jlb
proceedings. The state treasurer shall withdraw revenues from the forward Washington account in the motor vehicle fund and deposit in the highway bond retirement fund, or a special account in the fund, such amounts, and at such times, as are required by the bond proceedings.

(2)(a) Any funds required for bond retirement or interest on the bonds authorized by this section and sections 1 through 4 and 6 of this act shall be taken from that portion of the motor vehicle fund that results from the imposition of excise taxes on fuel and vehicle-related fees, and that is distributed to the forward Washington account in the motor vehicle fund.

(b) Funds required shall never constitute a charge against any other allocations of fuel tax and vehicle-related fee revenues to the state, counties, cities, and towns unless the amount arising from excise taxes on fuel and vehicle-related fees distributed to the forward Washington account described in (a) of this subsection proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

(c) Any payments for bond retirement or interest on the bonds taken from other revenues from the fuel taxes and vehicle-related fees that are distributable to the state, counties, cities, and towns shall be repaid from the first revenues from the fuel taxes and vehicle-related fees distributed to the forward Washington account described in (a) of this subsection not required for bond retirement or interest on the bonds.

NEW SECTION. Sec. 6. Bonds issued under the authority of sections 1 through 5 of this act and this section and any other general obligation bonds of the state of Washington that have been or that may be authorized and that pledge fuel excise taxes and vehicle-related fees for the payment of principal and interest thereon shall be an equal charge against the revenues from such fuel excise taxes and vehicle-related fees.

NEW SECTION. Sec. 7. For purposes of sections 1 through 6 of this act, "vehicle-related fees" means vehicle-related fees imposed under Title 46 RCW that constitute license fees for motor vehicles required to be used for highway purposes.
NEW SECTION.  Sec. 8.  Sections 1 through 7 of this act are each added to chapter 47.10 RCW.

NEW SECTION.  Sec. 9.  This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.
