Intersection & Corridor Safety Program Projects

As developed February 15, 2006

The purpose of the program is to fund cost efficient safety projects that eliminate or reduce fatal or injury accidents at high accident intersections and high accident corridors.

Priority	Agency	Project Title	Project Description	Leg. District	Open to Traffic	Total Project Cost	Grant Request
1	Grant County	Dodson Rd @ 12 Rd	Installing overhead flashing beacons and advanced warning signs.	13	10/07	\$22,000	\$22,000
2	Kennewick	Citywide	Throughout the city, installing new signal equipment that will improve signals for left turn movements.	8	6/07	\$541,500	\$541,500
3	Seattle	SR 99 @ 90th St	Installing signals with left turn arrows.	46	12/06	\$153,000	\$153,000
4	Skagit County	Best Rd @ McLean Rd	Install a new roundabout.	10	10/07	\$800,000	\$800,000
5	Spokane	Mission Ave @ S Riverton	At the "T" intersection, install concrete barrier through the intersection to prevent left turns.	3	7/07	\$34,000	\$34,000
6	Vancouver	Mill Plain Blvd (155th to 160th Ave)	Install street lighting along the corridor.	17	4/07	\$100,000	\$100,000
7	Renton	Park Dr @ I-405 NB Ramps	Installing signals with left turn arrows.	41	6/07	\$100,000	\$90,000
8	Vancouver	St Johns & St James (SR 500 to Minnehaha Rd)	Along the corridor, upgrading seven intersections by adding left turn lanes, upgrading signal equipment and installing signs.	49	12/07	\$502,000	\$502,000
9	Mason County	Shelton Matlock Rd (MP 10 to 12.24)	Along the corridor, widening shoulders and removing obstacles near the roadway.	35	4/08	\$270,000	\$250,000
10	Skagit County	SR 20 @ Helmick Rd	Installing street lighting, widening shoulders and removing obstacles near the roadway.	39	11/06	\$557,000	\$500,000
11	Auburn	8th St @ R St	Installing a new traffic signal.	31	9/07	\$250,000	\$250,000
12	Federal Way	SW 356th St (21st to 22nd Ave)	At the 22nd Ave "T" intersection, install raised concrete curb to prevent left turns. At 21st Ave, realign the roadway to current signalized intersection.	30	8/08	\$882,000	\$500,000
13	Kittitas County	Vantage Hwy (MP 6.56 to 28.82)	Along the corridor, add and replace guardrail.	13	12/07	\$450,000	\$450,000
14	Issaquah	Newport/Sunset Intersection	Upgrading to overhead signals and adding a right turn lane.	5	11/07	\$600,000	\$600,000
15	Tukwila	Southcenter Pkwy (100' - 600' S of Strander Blvd)	Along the corridor, combining driveways and routing them to a signalized intersection.	11	11/07	\$500,000	\$250,000
16	Thurston County	Old Hwy 99 (MP 16.87-17.98)	Along the corridor, realign the roadway for improved sight distance.	20	11/07	\$800,000	\$800,000
17	Seattle	15th Ave @ Roxbury	Installing signals with left turn arrows.	34	12/06	\$153,000	\$153,000
18	Thurston County	Littlerock Rd @ 93rd Ave	Adding left turn lanes, street lighting and installing signs.	20	10/07	\$240,000	\$240,000
19	Spokane	Wellesley @ Belt	Installing signals with left turn arrows.	6	10/08	\$345,000	\$345,000
20	Wenatchee	Miller & Washington Intersection	Upgrading traffic signal system.	12	5/08	\$300,000	\$300,000
21	Spokane County	Mill Rd @ Hastings Rd	Installing a new traffic signal.	6	6/07	\$243,300	\$243,300
22	Thurston County	Meridian/Mullen Intersection	Adding left turn lane, shoulders, street lighting and realigning the roadways for improved sight distance.	20	10/07	\$425,000	\$425,000
23	Othello	SR 26 @ 1st St	Installing raised islands and improving the clearance for trucks driving under the bridge.	9	6/07	\$550,000	\$550,000
24	Kennewick	Edison St @ Metaline Ave	Adding right turn, left turn and acceleration lanes.	8	5/07	\$944,054	\$944,054
25	Kenmore	SR 522 @ Kenmore Lanes (MP 7.6 - 8.0)	Installing raised concrete curb along the corridor and installing a new traffic signal.	32	1/08	\$650,000	\$600,000

Total: \$10,411,854 \$9,642,854
