TOTAL 1991-93 BIENNIUM	819	0	819

Comments:

1. REDUCE TRAINING, EQUIP, ETC. - Reduces agency funding by 2.5 percent. The Council's implementation plans include reductions in expenditures on training, personal computer and software upgrades, travel, purchased services, and a personal services contract for an outside review of the economic and revenue model.
2. LIMIT EMPLOYEE TRAINING - Reduces funding for employee development and training.
3. FOREGO PC AND SOFTWARE UPGRADE - Eliminates funding for personal computer upgrades and software.
4. REDUCE TRAVEL EXPENDITURES - Further reduces funding for travel to conferences and seminars.
5. DELAY PSC FOR MODEL REVIEW - As part of its 2.5 percent reduction plans, the Council proposed an

\$8,000 reduction to this item, delaying the review of the Council's forecast model until late in the biennium. By reducing the expenditure an additional \$4,000, funding for the review is eliminated.

6. REDUCE GOODS AND SERVICES - Further reduces funding for purchased services.

Comments:

1. REDUCE CONTRACTS, EQUIP., ETC. – Reduces agency funding for personal services contracts and equipment purchases.
2. AGENCY-WIDE STAFF REDUCTIONS – Reduces agency funding for staffing levels. This reduction will be achieved, in part, by decreasing OFM staff by 8.5 FTEs.

3. GOV'S COUNCIL ON EDUCATION REFORM – Provides a biennial budget of \$750,000 for the Governor's Council on Education Reform and Funding. Provides \$200,000 for the Commission on Student Learning as established by Chapter 141, Laws of 1992 (ESSB 5953).
4. JAIL POPULATION DATA – Reduces funding for county jail population data collection to coincide with a 2.5 percent reduction in the Public Safety and Education Account appropriation.

5. EFFICIENCY SAVINGS – Requires general fund savings through management efficiencies.
6. EXECUTIVE POLICY UNIT – Reduces funding for the Executive Policy Division to reflect staff vacancies from the change in administration.
7. MANAGEMENT CONSULTING SERVICES – Eliminates funding for management consulting services provided by the Management and Productivity Division.

Office of Financial Management

8. **SHIFT FUNDING TO SAVINGS ACCOUNT** – As a result of increased deposits to the Savings Recovery Account, this fund shift increases the portion of OFM's budget which is funded by the Savings Recovery Account.
9. **AGENCY STAFF REDUCTION** – Combined with other staff reductions, provides for at least a 5 percent decrease in total agency staffing levels funded by the state general fund.
10. **PRINTING REDUCTION** – Reduces funding for printing costs from the state general fund.
11. **TRAVEL REDUCTION** – Reduces funding for travel costs from the state general fund.
12. **EQUIPMENT REDUCTION** – Reduces funding for equipment costs from the state general fund.
13. **REVOLVING FUND REDUCTION** – Reduces funding for various revolving fund charges.
14. **PSC REDUCTION** – Reduces funding for personal services contracts costs from the state general fund.

NOTE: The Office of Financial Management received an appropriation in Chapter 15, Laws of 1991, First Extraordinary Session (EHSB 1231).

For further information, see the schedule entitled "Appropriations Contained Within Other Legislation" in the Revenue Section of this document.

Amounts shown here reflect only the Omnibus Appropriations Act.

Governor's Vetoes:

Section 127. The Governor's veto restored the original General Fund– State appropriation providing \$9,090,000 in additional appropriation authority, while reducing the appropriation from the Savings Recovery Account by \$5,088,000. Of this \$4,090,000 net increase, the Governor directed the agency to place \$1,218,000 in reserve, with the remaining \$2,791,000 to be used for agency operating costs. The veto also eliminated a proviso for funding for the Commission on Student Learning established in Chapter 141, Laws of 1992 (ESSB 5953).
